

Creating an Open Innovation Ecosystem at Deutsche Telekom

Presentation at the EIRMA & OECD: Symposium on Global Innovation Networks .
René Rohrbeck, EICT GmbH, Germany

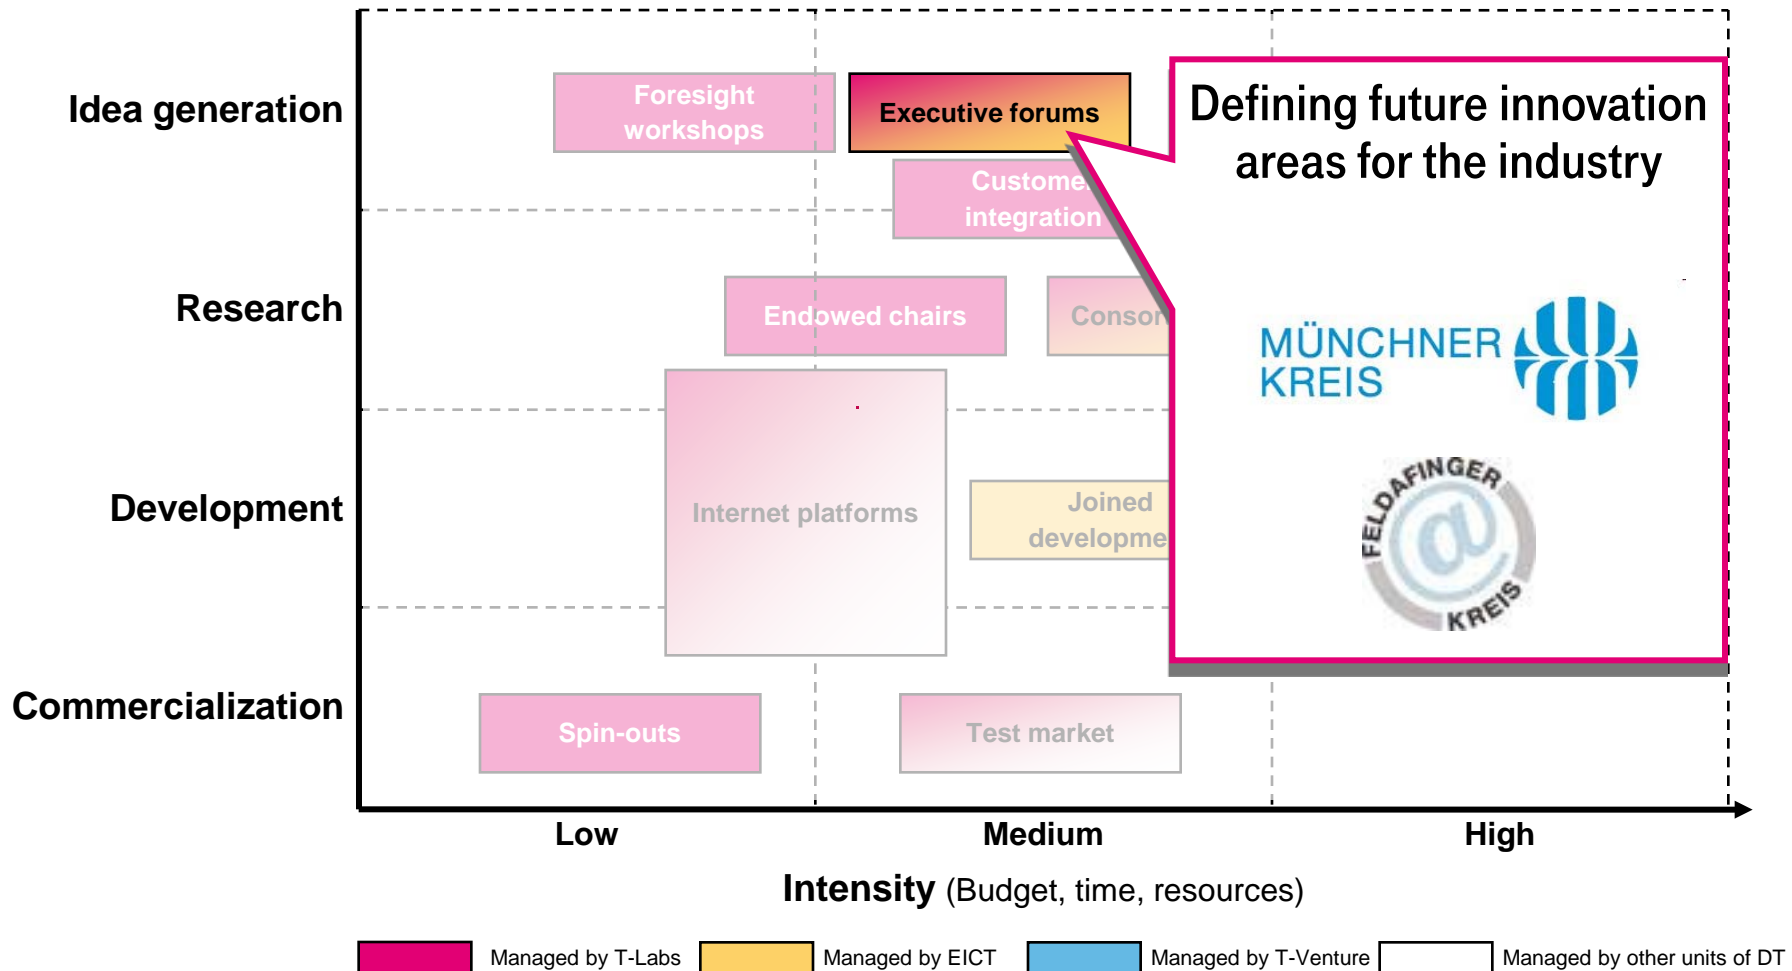

The open innovation ecosystem of
Deutsche Telekom.

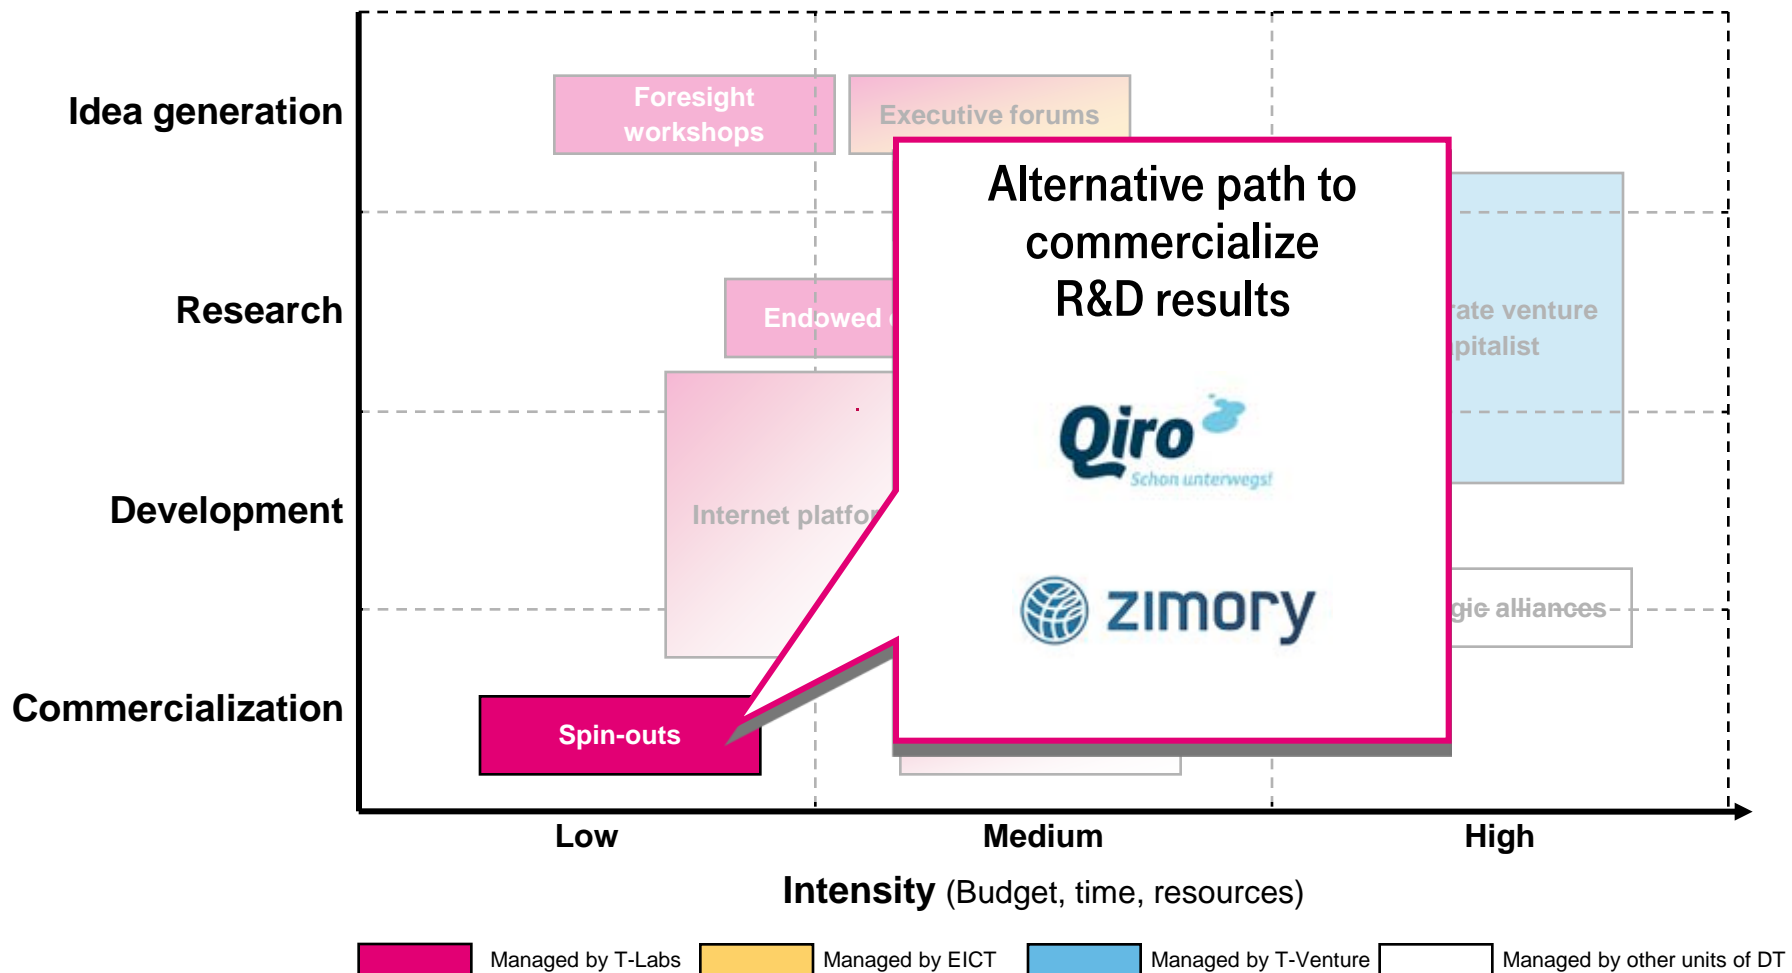

DT's 11 open innovation instruments are managed through 2 major facilitators.

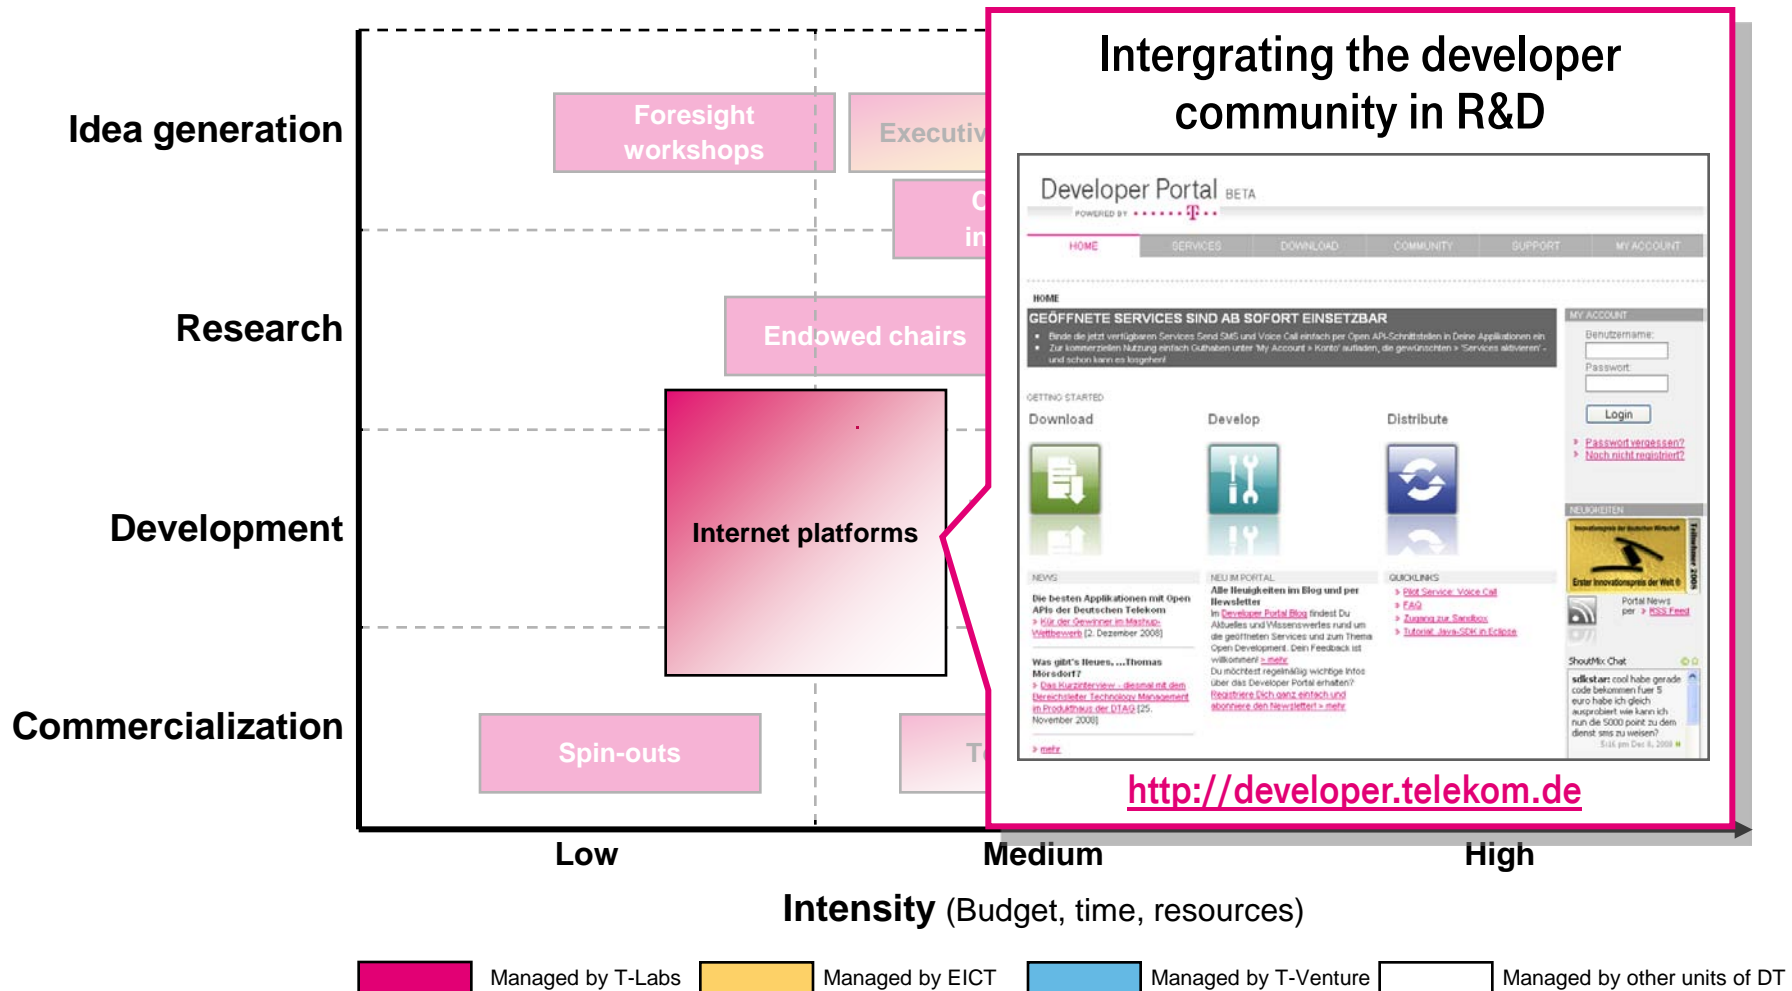

DT's 11 open innovation instruments are managed through 2 major facilitators.

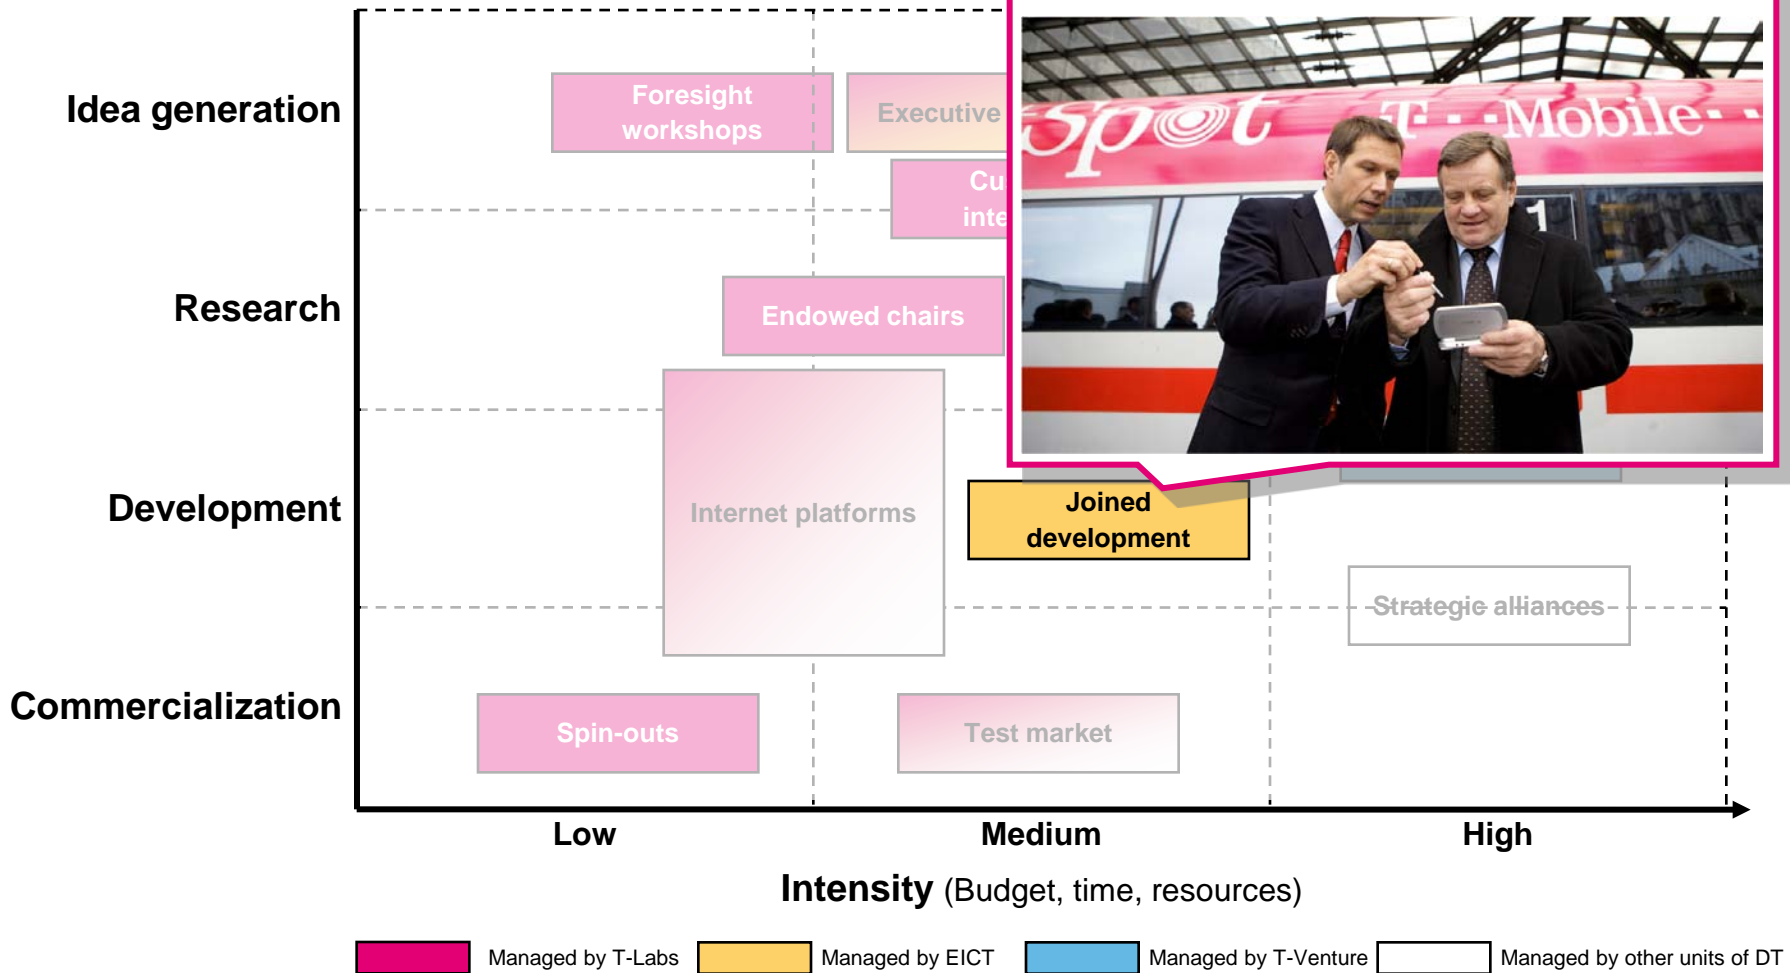

DT's 11 open innovation instruments are managed through 2 major facilitators.

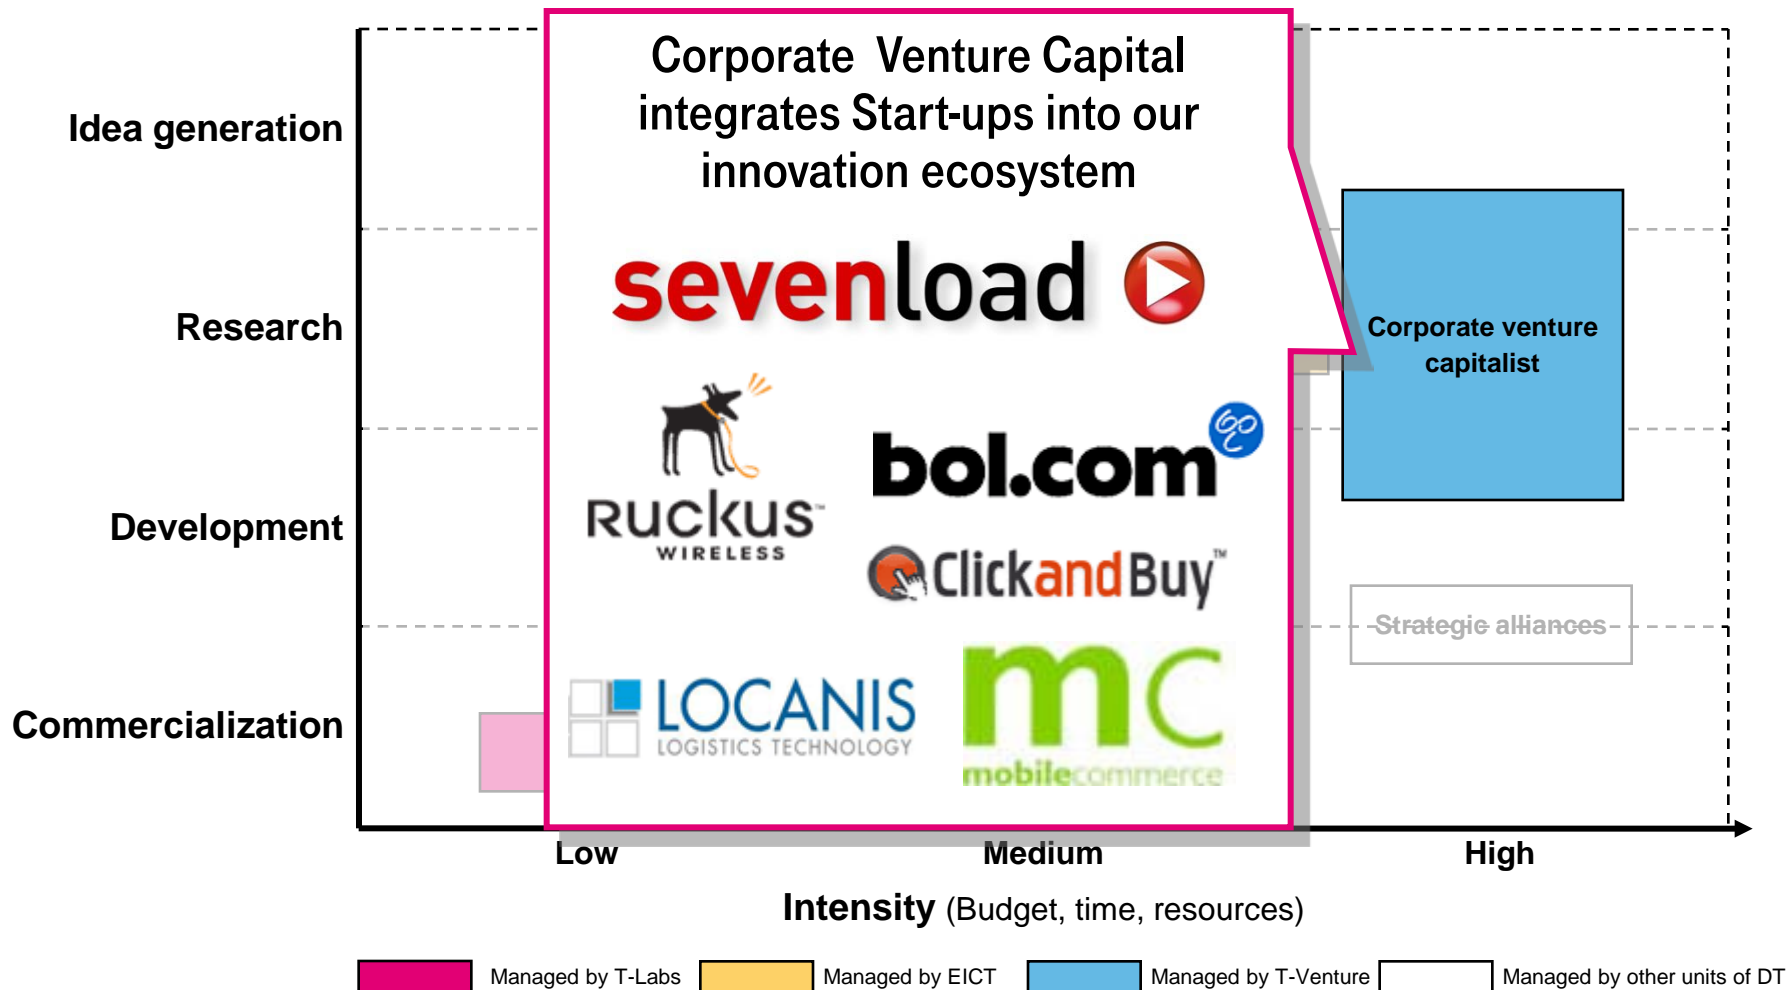

DT's 11 open innovation instruments are managed through 2 major facilitators.

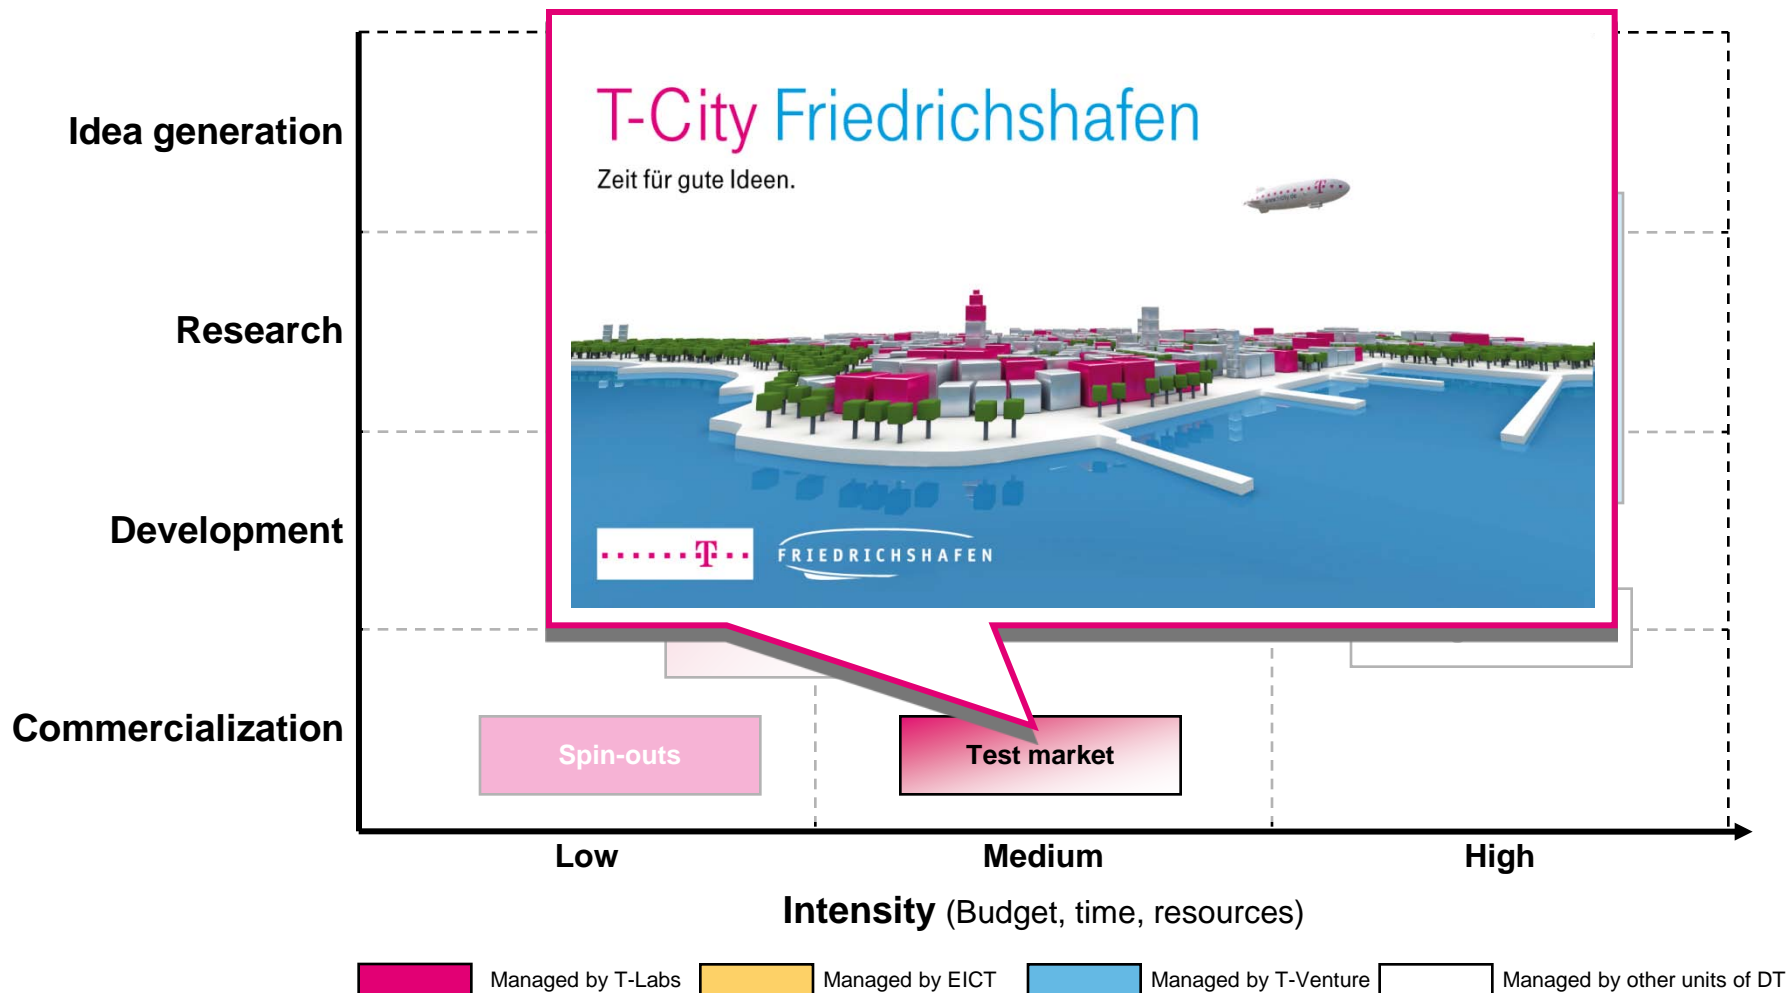

DT's 11 open innovation instruments are managed through 2 major facilitators.

DT's 11 open innovation instruments are managed through 2 major facilitators.

DT's 11 open innovation instruments are managed through 2 major facilitators.

Conclusion.

We believe that.

- **Open Innovation will increase** and **use new tools**
- It will need to be tailored and **controlled**
- We will see **more Open Innovation facilitators** such as
 - **Joint-Technology Initiatives (JTI)** on the European level
 - **University-Industry Research Center (UIRC)** such as T-Labs
 - **Public Private Partnerships (PPP)** such as EICT

Thank you for your interest.
